CITY OF SMYRNA, GA SPRING ROAD STREETScape & MEDIAN LANDSCAPE IMPROVEMENTS

Smyrna, Georgia is seeking bids for a unit-price contract to install new landscaping, irrigation, and furnishings along Spring Road from Woodruff Drive to Cobb Parkway. The City's expectation for this work is that it be of the highest caliber. Care will be taken to follow the planting details and specifications on this job to the letter and for all plant materials shall be subject to rejection if they do not meet the minimum size and quality standards. The scope of work is broken into specific scopes in order that the bids may be better analyzed and in case value engineering is required. Line item bids are required for the plants so that if any plants are added or deleted for field level changes, the price is set in the contract at its inception.

This project is being bid at the same time as RFP 17-017 "Concord Road Linear Park Landscape Improvements" and the City reserves the right to award this project to the same contractor if it's in the best interest of the City.

BID INSTRUCTIONS

One original and three copies of the bid must be received in a sealed envelope plainly marked "**Sealed Bid for SPRING ROAD STREETScape & MEDIAN LANDSCAPE IMPROVEMENTS**" with the date and time of the bid opening in the lower left corner of the envelope.

Proposals must be delivered to the address listed below no later than the bid opening time and date indicated. All information pertaining to proposal number, description, bidder, and opening date must be completed on the orange label provided in the bid package and must be attached to outside of the sealed proposal.
