

THE TWENTIETH CENTURY VETERANS MEMORIAL

The Twentieth Century Veterans Memorial will be dedicated to the memory of those who served honorably in the U.S. Armed Forces – Army, Navy, Marine Corps, Air Force and Coast Guard – during the twentieth century. The Memorial will honor the living, the dead, the wounded, the missing, and the families who supported those who gave part or all of their lives to this country... in war and in peace. The Memorial will also honor members of the Merchant Marine who served during times of war.

Located in the heart of revitalized downtown Smyrna, near the new Smyrna City Hall, the Twentieth Century Veterans Memorial will be erected in 2000 to pay tribute to all veterans who served in the United States Armed Forces during the last century.

Veterans and their families and loved ones can take part in the development of this important project by making a contribution to the Memorial. For each \$50 contribution, supporters may designate a marble paver for a veteran from anywhere in the U.S. who served in any branch of service. These 4x8-inch marble pavers, honoring only veterans, will become a permanent part of the Memorial. For a \$35 contribution, 4x8-inch brick pavers may be designated for any veteran, family member, friend or relative. Brick pavers will help pave the walkway from the Smyrna Welcome Center to the Memorial.

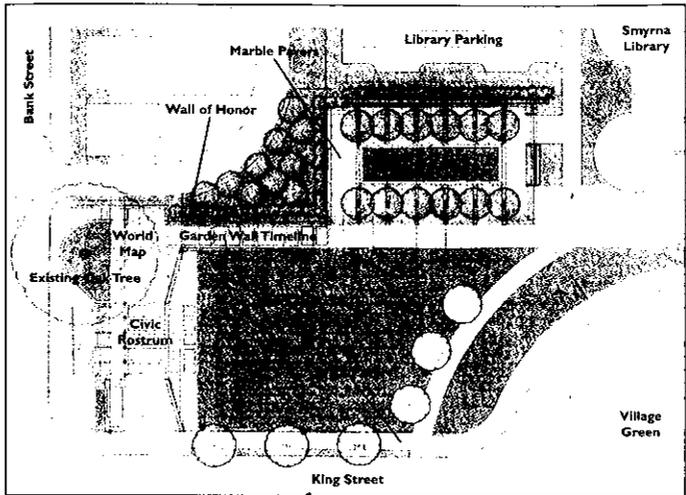

CIVIC ROSTRUM

A majestic, 60-foot flagpole on a long granite base marking the entry to the Memorial, the Civic Rostrum will be further defined by six smaller flagpoles representing the six branches of military service and a raised stone platform for veteran ceremonies and civic events.

WALL OF HONOR

The Wall of Honor will begin with operational maps of the wars of the twentieth century. Inscribed in the stone wall will be 10 zones corresponding to the 10 decades of the last century. Major battles and the names of the Cobb County men and women who died during the nation's wars will be noted in a timeline etched in granite.

VETERANS COURT

A solemn, contemplative area, this open space will contain the marble pavers designated for all veterans, as well as a small arbor.

A LEGACY THAT WILL LIVE ON...

The Twentieth Century Veterans Memorial will stand as a legacy to the memory of those who served in the U.S. Armed Forces. Educational and informational materials related to the Memorial will be housed in the Smyrna Library, located adjacent to the site.

The Twentieth Century Veterans Memorial is due to be completed in 2001. Please help us pay lasting tribute to the men and women who served this country over the last 100 years. To celebrate their commitment and service, we hope you will make a contribution and dedicate your Veterans Memorial marble or brick pavers. Thank you.

"All living Americans owe a deep debt of gratitude to those who served, and fought and died in the wars of the twentieth century. They served with valor, and many gave their all in order to allow us the bounty, safety and security we enjoy today. We need never to forget the sacrifices they made."

—Governor Roy E. Barnes
