

Downtown Smyrna Development Authority

Purpose

The Downtown Smyrna Development Authority was created by Constitutional Amendment and implemented by the General Assembly as a mechanism to revitalize and redevelop the Downtown Smyrna District. Its powers and duties include, among other things, to buy, acquire, develop, improve, own, operate, maintain, sell, lease and mortgage land, building and property, both private and public, of all kinds and character including, but not limited to, machinery, apparatus, equipment and utilities useful or desirable in connection therewith within the geographical area of the authority.

Members/Term
